The

KITCHEN COLLECTION

est. 1990

There's so much more to a kitchen than cupboards and doors. More than a living room, it's the heart of your home. A place to cook, eat and be happy. Of memories, laughter, tears and more. A family space, unique place.

BA kitchens by Zurfiz, Bella, Pronto brimful of colour and textures. Those memories! Relaxing and inspiring. Everything from intense pools of glossy colour through to the most delicate shades that brighten and inspire even the darkest of days.

Warm, comforting, earthy tones and textures, the special grains of natural woodland colours breathe life in your home.

Our designers recognise this, because we listen. Choice, inspiration, colour, a variety of designs. We deliver kitchens that complement and create space; using colour and textures to allow you to have the kitchen you've always wanted. **Contemporary Life or Timeless Classics, we've got it covered.**

“Our waking life, and our growing years, were for the most part spent in the kitchen, and until we married, or ran away, it was the common room we shared.”

Laurie Lee

BA is renowned for quality, sustainability, durability & cutting edge design.

Why BA?

Why BA?

Our materials, production processes and designs are aimed towards the finest possible end product. That's important to us and to you.

History

BA was established in 1990 and over twenty five years we have committed ourselves to the highest standards in quality. When you order a Zurfiz, Bella, or Pronto kitchen you will be delighted with the product, design and durability.

Superior Quality

We are committed to the highest quality and we have achieved the highest possible industry standard, FIRA Gold.

FIRA Gold Award

The FIRA Gold Award is the ultimate mark of product excellence within the furniture industry and provides a solid reassurance that a product meets all necessary standards.

The Environment

Our manufacturing takes into account ecological and environmental considerations. We use renewable energy sources where possible and we source raw materials from controlled and well-managed sources.

Sustainability

BA are committed to sourcing and promoting the sustainable management of forests.

The Journey is the Reward

Cooking Up Your Kitchen?

You want to get it just right.

With BA the journey is part of the experience. Through our Dealer Network we aim to make it as enjoyable and as hassle free as possible.

Let this brochure guide you in making your choice. It's full of wonderful ideas that are proven time and again with other customers in their homes.

Our kitchens are themed either Contemporary Life or Timeless Classics. But you may have an open mind and want something slightly different. We have the tools to help you.

You can also go on to our award winning website. There you can create your own mood board with a myriad of designs and influences. Add in handles, accessories and other features and watch your perfect kitchen take shape. You can even share with friends and get their feedback.

If you are a bit of a doubting Thomas you can order a sample door in your preferred choice. See it, touch it before you decide.

What next?

Our kitchens are sold through a network of trusted dealers. Indeed it may have been one of our dealers that gave you this brochure. If you need to locate a dealer, enter your postcode on the website and it will find the closest one to you.

You can send them your mood board to take the relationship to the next level. From there the dealer can explain the process of finalising your kitchen.

It's a proven recipe for success for a beautiful kitchen.
